Released on December 8, 2015, in Kyoto, Japan

The Nidec Group to Exhibit Latest Robotics and Tactile Products at 2016 International CES

Nidec Corporation (NYSE: NJ) today announced that the Nidec Group will exhibit its products for the first time at the upcoming International Consumer Electronics Show (2016 International CES), the world's largest appliance show, to be held in Las Vegas, Nevada, U.S.A., from January 6 through January 9, 2016 (US time).

Visitors to this show will be able to see the Nidec Group's latest lineup of products used for robotics, tactile devices, and commercial robotics products as well as product demonstrations workshops at the robotics zone in Tech West (the venue for Sands Expo). The details are as follows:

About the exhibits:

- Robotics:
Intelligent drive motors (motor control technology), camera modules, and other products
- Tactile devices:
Tactile modules, oscillatory actuators, virtual reality system components, interface products (human-machine interface), and other products
- Commercial robotics:
Smart automatic guided vehicles (AGV), commercial drones, vertical six-axis robots, and other products

Location & schedule:

Venue: Sands Expo and Convention Center in Las Vegas, Nevada
Address: 201 Sands Ave, Las Vegas, NV 89169
The Nidec Group's booth: Sands, Halls A-C-72257
Period: Wednesday, January 6 - Saturday, January 9, 2016 (US time)

Nidec is finally at CES

This is Nidec's debut at CES. Wide variety of robotics solutions will be displayed at the booth, including Haptics, Drone, AGV, Motor control, etc. Nidec's core competence of the MOTOR technologies are embedded in those applications.

January 6th to 9th, 2016, Las Vegas

Please come and see us at the booth.

Your destination:

Booth location : Sands Halls A-C **72257**

Contact information : koho@nidec.com

Haptic Device
Nidec introduces new "Haptic Device".

Drone

Virtual Reality

Booth location : Sands Halls **A-C72257**

Nidec
All for dreams

Robot

Motion Module Solution for Service and Communication Robots.

TiltAC camera

We have new camera for robotics. This system has wider angle and wider frequency band than ever. There is nothing better than this image stabilization system.

Smart AGV

Exhibition contents

	Nidec Sankyo	Nidec Copal	Nidec Seimitsu	Nidec Shippo	Nidec Servo	Nidec	Nidec Kinetek-Valmark
